
OSTEOPATHIC EDUCATION THROUGH THE AGES

Mathias Hartlep - Bundesarbeitsgemeinschaft Osteopathie e.V. (BAO), Germany

BUNDESARBEITSGEMEINSCHAFT OSTEOPATHIE (BAO)

- founded in 2004
- umbrella organisation for 12 schools, 1 organisation and 1 register

OSTEOPATHIC EDUCATION

CHALLENGES (GERMANY)

- Lack of regulation

CHALLENGES IN EDUCATION (GERMANY)

- different professions
- Type I and Type II programs / College programs
- lack of common goals
- Integration of scientific approaches

CHALLENGES IN EDUCATION (GERMANY)

- lack of common curriculum
- lack of common quality of exams
- high standard of qualification of osteopathic teachers needed
- lack of common osteopathic language

THAT'S WHERE BAO COMES IN...

BAO

- Unified curriculum, exams and scope of practice
- accreditation of teachers / quality management
- certificate as proof of quality for students who graduate from BAO approved schools
- CPD programme
- collaboration

THANKYOU FOR LISTENING

Mathias Hartlep - BAO (2014)
