Ways to Develop Osteopathy in Russia

- Implementation of comprehensive scientific researches (also with foreign schools representatives)
- Major scientific and promotional events organization
- Issuing of specialized scientific periodical dedicated to osteopathy

Dear friends and colleagues,

Let's respect and protect our common interest - OSTEOPATHY which will benefit from our cooperation.

Only when united can we further explore, promote, develop and enjoy OSTEOPATHY.

**Russian Osteopaths are
ready for cooperation!**
